

MAINTENANCE PLAN

SAFETY

Annual service checks for Lockout Maintenance Plan provide much needed adjustments, lubrication, and testing of upward acting doors.

PROTECTS YOUR INVESTMENT

The Lockout Maintenance Plan is intended to provide low-cost, planned maintenance to keep your doors running smoothly and safely while protecting your investment in this equipment.

FIXES MAINTENANCE COSTS

Our rates are fixed for the duration of the agreement, ensuring that your garage doors and awnings are maintained at a fixed cost. We'll keep your garage door in top working order for about 25 cents per day.

SPECIAL DISCOUNTS

Lockout Maintenance Plan customers with 3-year agreements receive a 15% discount on unscheduled repairs or a 10% discount on complete replacement door systems as an added bonus.

TRUST

Lockout has been providing San Diego homeowners with convenient platform when they need it the most since 1998.
